

## Table of Contents

Section	Page
1 ABOUT THIS USER GUIDE .....	7
1.1 Purpose .....	7
1.2 Intended readership.....	7
1.3 How to use this guide .....	7
1.3.1 User guide structure .....	7
1.3.2 Layout.....	8
2 INTRODUCTION TO LANDONLINE .....	11
2.1 Overview .....	11
2.1.1 Survey process.....	11
2.2 Getting started in Landonline .....	12
2.2.1 Log on to Landonline.....	12
2.2.2 Select your firm and licence .....	13
2.3 Using Landonline Help.....	14
2.3.1 Displaying Help.....	14
2.3.2 Help contents and structure.....	14
2.3.3 Navigating Help.....	15
2.3.4 Finding Information in Help .....	15
2.3.5 Printing Help.....	16
3 WORKSPACE.....	17
3.1 Overview .....	17
3.2 Workspace screen .....	17
3.2.1 Workspace Toolbar.....	19
3.2.2 Workspace Tree .....	20
3.2.3 Workspace Detail panel.....	21
3.2.4 Login security check.....	21
3.2.5 Firm's credit .....	21
3.2.6 Workspace Toolkit.....	22
3.3 View, save or print <i>e-survey</i> information .....	22
3.3.1 Refresh Workspace.....	22
3.3.2 View details of an <i>e-survey</i> .....	23
3.3.3 Save <i>e-survey</i> information .....	24
3.3.4 Print <i>e-survey</i> information .....	25
3.3.5 View, save or print an <i>e-survey</i> Toolkit.....	25
3.4 Find an <i>e-survey</i> .....	26
3.4.1 Display the Find Survey Work screen .....	26
3.4.2 Search for the <i>e-survey</i> .....	26
3.4.3 Find an <i>e-survey</i> Toolkit.....	28
3.5 Types of messages .....	28
3.5.1 User generated messages .....	28
3.5.2 System generated messages.....	28
3.6 Messages tab.....	28
3.6.1 Using the Messages tab .....	29
3.6.2 Using the Messages tab Toolkit.....	31
3.7 My Messages .....	31
3.7.1 Using the My Messages folder .....	32
3.7.2 Print a message from My Messages.....	34
3.7.3 Delete a message from My Messages.....	35
3.7.4 Using My Messages Toolkit.....	35
3.8 Change your details or password.....	36
3.8.1 Change your details .....	36

3.8.2	Change password .....	43
4	SEARCHING FOR A USER OR FIRM .....	45
4.1	Overview .....	45
4.2	Search for a user or firm .....	45
4.2.1	Display the External Search screen.....	46
4.2.2	Search for a user or firm and add the details to the current screen .....	46
4.3	Searching tips .....	47
4.3.1	Wildcards.....	48
5	CREATE AN <i>e-survey</i> .....	49
5.1	Overview .....	49
5.2	Enter survey information .....	49
5.2.1	Display the Manage Survey Transaction screen .....	49
5.2.2	Complete the Survey Information tab.....	51
5.3	Assign survey staff to the <i>e-survey</i> .....	54
6	IMPORT A SURVEY DATASET .....	56
6.1	Overview .....	56
6.2	Import a XML file into your <i>e-survey</i> .....	57
7	CAPTURE AN <i>e-survey</i> .....	59
7.1	Overview .....	59
7.1.1	About Survey Capture .....	60
7.2	Set the refresh option.....	61
7.3	Interrupt the capture process.....	62
7.4	Resume the capture process.....	62
7.5	Display the Spatial Display .....	63
7.6	Complete additional survey information .....	64
7.6.1	Display the Survey Header screen .....	65
7.6.2	Complete survey header details .....	65
7.6.3	Complete survey header information Toolkit .....	66
7.7	Add and delete survey references .....	67
7.7.1	Add and delete survey references Toolkit.....	68
7.8	Adopt existing marks, observations and lines.....	68
7.8.1	Select existing marks spatially.....	69
7.8.2	Select existing observations spatially .....	70
7.8.3	Adopt existing boundary definitions.....	73
7.8.4	Select existing boundary lines .....	74
7.8.5	Adopt existing marks, observations and lines Toolkit .....	75
7.9	Capture marks.....	75
7.9.1	Display the Mark List screen .....	76
7.9.2	Display the Mark Detail screen .....	77
7.9.3	Add a new mark.....	78
7.9.4	Record details of a disturbed or renewed mark.....	79
7.9.5	Capture marks Toolkit .....	81
7.10	Capture observations .....	82
7.10.1	Traverse Bdy Capture screen.....	82
7.10.2	Display the Traverse Bdy Capture screen.....	83
7.10.3	Tasks in the Traverse Bdy Capture screen.....	83
7.10.4	Add new observation rows .....	84
7.10.5	Enter a right line observation.....	85
7.10.6	Enter an arc observation .....	87
7.10.7	Enter information for a mark .....	89
7.10.8	Change the observations view .....	89
7.10.9	Apply one value to multiple observations.....	90
7.10.10	Reorder observations .....	90
7.10.11	Apply a bearing correction to a new <i>e-survey</i> .....	90

**Landonline – e-survey User Guide**

7.10.12	Print a list of observations .....	91
7.10.13	Delete selected observations .....	91
7.10.14	Capture observations Toolkit.....	92
7.11	Edit captured marks .....	92
7.11.1	Edit a mark in the Spatial Display .....	92
7.11.2	Edit a mark in the Mark List screen.....	93
7.11.3	Delete a mark.....	93
7.12	Error check observations .....	93
7.12.1	Error check observations using the Traverse Bdy Capture screen.....	94
7.12.2	Error check observations spatially.....	95
7.12.3	Print, copy or save an Observation Error Report.....	96
7.12.4	Error check observations Toolkit.....	97
7.13	Capture irregular boundaries .....	97
7.13.1	Import an irregular boundary .....	97
7.13.2	Load an irregular boundary image.....	98
7.13.3	Digitise a new irregular boundary.....	99
7.13.4	Adopt an existing irregular boundary .....	100
7.13.5	Delete a captured irregular boundary.....	101
7.13.6	Merge irregular boundaries.....	101
7.13.7	Capture irregular boundaries Toolkit.....	103
7.14	Change a boundary layer .....	103
7.15	Link marks.....	103
7.15.1	Link marks manually .....	104
7.15.2	Link marks automatically .....	105
7.15.3	Unlink marks .....	106
7.15.4	Add and delete placeholders.....	107
7.15.5	Link marks Toolkit .....	108
7.16	Process balance parcels .....	109
7.16.1	Automatically process balance parcels .....	109
7.16.2	Manually process balance parcels.....	109
7.17	Capture parcels .....	111
7.17.1	Display the Parcel List screen.....	112
7.17.2	Capture a new parcel using the Parcel Detail screen .....	112
7.17.3	Capture new parcels for Unit and Cross Lease Developments .....	120
7.17.4	Capture existing parcels spatially .....	123
7.17.5	Capture existing parcels using the Search Appellation screen.....	123
7.17.6	Link new parcels.....	124
7.17.7	Edit parcels .....	126
7.17.8	Capture parcels Toolkit.....	127
7.18	Link CT references .....	128
8	PRE-VALIDATE AN <i>e-survey</i> .....	130
8.1	Overview .....	130
8.2	Display the Pre-validate tab.....	131
8.3	Pre-validate online .....	132
8.4	Pre-validate by batch process .....	133
8.4.1	Pre-validate by batch process .....	133
8.4.2	View pre-validation notification .....	134
8.5	Pre-validation report information .....	134
8.5.1	Pre-validate an <i>e-survey</i> Toolkit .....	135
9	GENERATE PLANS.....	136
9.1	Overview .....	136
9.2	Display the Plan Generation tab .....	137
9.3	Generate plans online .....	137
9.3.1	Display Plan Generation .....	138
9.3.2	Define and label diagrams .....	140
9.3.3	Request layout sheet preparation by batch.....	151

9.3.4	Work with layout sheets .....	154
9.3.5	Complete layout sheets .....	157
9.3.6	Generate final plans online .....	171
9.3.7	Regenerate plans online .....	172
10	SUBMIT AN <i>e-survey</i> .....	173
10.1	Overview .....	173
10.2	Attach supporting documents .....	174
10.2.1	Display the Supporting Documents tab .....	175
10.2.2	Attach a supporting document .....	175
10.2.3	Edit or add comments for a supporting document .....	176
10.2.4	Overwrite a supporting document.....	176
10.2.5	Delete a supporting document .....	176
10.2.6	Request LINZ to scan colour supporting documents.....	177
10.2.7	Attach supporting documents Toolkit.....	177
10.3	Specify Territorial Authority Certification requirements .....	178
10.3.1	Display the TA Certification tab.....	179
10.3.2	Add a Territorial Authority.....	180
10.3.3	Prepare a TA Certification package online .....	180
10.3.4	Request a TA Certification online .....	185
10.3.5	Check TA Certification progress online .....	186
10.3.6	Attach a paper TA Certification.....	190
10.3.7	Attach a TA Certification after submission of an <i>e-survey</i> .....	190
10.3.8	Prepare TA Certification package Toolkit.....	191
10.4	Certify and submit an <i>e-survey</i> .....	191
10.4.1	Display the Submit tab.....	192
10.4.2	Prepare an <i>e-survey</i> for submission .....	193
10.4.3	Certify and submit an <i>e-survey</i> .....	193
10.4.4	Confirm fees .....	194
10.4.5	Failed submit due to errors .....	195
10.4.6	Certify an <i>e-survey</i> Toolkit.....	195
10.5	Exception processing.....	195
10.5.1	Display the Exception Process screen.....	196
10.5.2	Request exception processing .....	197
10.5.3	Receive notification of exception processing .....	197
10.5.4	Exception processing Toolkit .....	197
10.6	Action requisitions.....	197
10.7	Delete an <i>e-survey</i> .....	198
10.8	Withdraw an <i>e-survey</i> .....	198
11	SYSTEM MANAGEMENT .....	199
11.1	Overview .....	199
11.2	External System Administration screen.....	199
11.2.1	Display the External System Administration screen.....	200
11.3	View an individual user's details.....	200
11.3.1	Display the Maintain User screen .....	201
11.3.2	Search for the user .....	201
11.3.3	View user contact details and preferences .....	202
11.4	Modify your firm's contact and user details .....	202
11.4.1	Display the Maintain Firm screen.....	203
11.4.2	Modify firm details in the Details tab .....	204
11.4.3	Modify user details for the firm.....	204
11.5	Maintain user privileges in your firm .....	204
11.5.1	Display the Maintain Firm screen.....	205
11.5.2	Display the Allocate Privileges screen .....	205
11.5.3	Allocate or remove privileges.....	206
11.6	Modify user groups.....	207
11.6.1	Display the Maintain Groups screen.....	207

**Landonline – e-survey User Guide**

11.6.2	Create a new user group .....	208
11.6.3	Modify a group name or description.....	208
11.6.4	Assign and remove users .....	209
11.6.5	Add privileges to, or remove privileges from a group .....	209
11.6.6	Delete a user group .....	210
11.7	Disassociate a user from the firm .....	210
11.8	Generate a Licence usage report.....	210
11.8.1	Display the Licence Usage Report screen.....	211
11.8.2	Generate a Licence Usage Report.....	211
11.8.3	Print the Licence Usage Report .....	211
11.8.4	Save the Licence Usage Report .....	212
11.9	System Management Toolkit.....	212
12	SPECIAL TASK OVERVIEWS IN LANDONLINE.....	213
12.1	Add a Survey Reference .....	213
12.2	Capture an <i>e-survey</i> involving accretion .....	214
12.3	Capture a multi class <i>e-survey</i> .....	215
12.4	Capture a legalisation parcel including balance parcels .....	215
12.5	View an estimate of submission fees.....	216
12.6	Change a parcel boundary for an <i>e-survey</i> on requisition.....	217
12.7	Best practice in the Traverse Bdy Capture screen .....	218
	APPENDICES .....	219
	Appendix A: Survey Capture layers.....	219
	Appendix B: Survey Capture right mouse options.....	220
	Appendix C: Observation layer definitions.....	221
	Appendix D: Topology layer definitions .....	222
	Appendix E: Parcel action definitions.....	223
	Appendix F: Plan Layout validation rules (P rules).....	224
	Appendix G: Details of generated plans .....	225
	CSD Plan pages .....	225
	Title Plan pages.....	225
	Title Diagram pages.....	225
	Appendix H: Spatial layers included in plan diagrams .....	226
	Survey Diagram .....	226
	Title Diagram.....	227
	Appendix I: Structured text information for plans .....	229
	Title Plan header .....	229
	CSD Plan header.....	229
	Mark and Observation list.....	230
	Appendix J: <i>e-survey</i> notifications.....	231
	Appendix K: <i>e-survey</i> supporting document types .....	232
	Appendix L: Survey Purpose .....	235
	LT Plan Survey Purpose (except Unit Plans).....	235
	LT Unit Plan Survey Purpose .....	236
	Survey Office Plan Survey Purpose.....	238
	Maori Land Plan Survey Purpose .....	240
	Historical Survey Purpose Types.....	240
	Appendix M: Manage Survey Transaction screen information.....	241
	Manage Survey Transaction screen .....	241
	Survey Information tab .....	241
	Import Dataset tab.....	242
	Pre-validate tab .....	242
	Supporting Documents tab.....	242
	Plan Generation tab.....	242
	TA Certification tab .....	243
	Submit tab .....	243
	Appendix N: Survey Capture screen information .....	244
