

E-SURVEY + NEW TITLE FAST-TRACK

For **dealings** lodged with an associated **e-survey** only.

With ***E-SURVEY + NEW TITLE FAST-TRACK***, LINZ aims to reduce the processing time for approval of an *e-survey*, and the issue of the associated title, to a total of 12 working days.

To qualify for ***E-SURVEY + NEW TITLE FAST-TRACK*** the dealing must be lodged with this form on the same day (i.e. within 24 hours) as the *e-survey*. If the plan or dealing are requisitioned or rejected, the timeframe will be 10 working days for *e-survey* approval plus 10 working days for title issue.

A ***FAST-TRACK*** request form has to be faxed, emailed or delivered to the LINZ Processing Centre after the dealing has been lodged.
